Students exhibit a variety of art forms

The purpose of Art is washing the dust of daily life off our soul - Pablo Picasso

An art and craft exhibition was organised by City International School, Satara Road under the International School Award project- "Shades of Art" for

class IX on January 5.

The students executed their imagination and creativity in the different art forms under the guidance of their teachers. Various artworks like portraits, pencil sketches, Warli paintings, landscapes, canvas paintings, Madhubani painting,

Kalamkari, gond, greeting cards, book marks, modern art, abstract painting, pot painting etc. were on display. Beautiful art forms depicted both Indian and United Kingdom traditional art patterns.

The information about the Indo-Western artists was given by the students with the

help of life-sketches in the form of power point presentation.

The exhibition got an overwhelming response from the parents and the students. The students' work was appreciated by the visitors who gave an encouraging feedback.
