School launches *Swachhata Pakhwada*

*Environmental cleanliness
begins with individual
desire to be clean.*

- Lailah Gifty Akita

A campaign on Swachh Bharat- Swachhata Pakhwada (CBSE) was

launched at City International School, Satara Road recently to create awareness among the students regarding cleanliness. Under this initiative, various activities will be conducted at the school.

The pledge on cleanliness was taken on the very first day of the pakhwada i.e. September 3, wherein all the students, the teaching and non-teaching staff participated. Students took the pledge to clean their school, homes,

public places and surroundings. They were given useful tips by the principal Leena Bhosale to keep their surroundings and the school clean. This was followed by a nukkad natak on 'Cleanliness and Hygiene Practices'.

Students take the cleanliness pledge
